What a load of rubbish

The introduction of the wheelie bins, the Litter Busting Day, the ongoing efforts of the council to get us to "Slim Our Bins" and even aspects of local anti-social behaviour have all raised in people's minds the issue of rubbish. In this article I hope to bring a few of these issues together so that, among other things, we might be able to:

- Learn to cope with the black/green bin system
- Put, and keep, the village in a state we can all be proud of
- Support local projects and businesses
- Learn something about our environment
- Have somewhere where we can ask and answer questions on rubbish issues
- Possibly even raise some money

For most people, the most immediate issue is how to reduce black bin rubbish. It might be worth me giving some tips/ suggestions. I'll link them in with some of the other issues:

General:

The four 'R's of waste are Reduce - Reuse - Repair - Recycle and only then use the bin. If you want to cut down on rubbish, you have to run that checklist through your head every time you bin something. "How can I do better this time or next time?" Fairly soon it becomes instinctive and not too much trouble.

Plastic:

Probably the biggest problem. Plastic milk bottles can be replaced by milk delivered to your door by the milkman (Tel:01480 462338) This cuts down on waste and also on transport, as well as supporting a local business. Failing that, get to know someone in Essex where they recycle plastic. They'll be delighted when you show up to see them with (washed, lids off) plastic bottles. Honest. (Plans are under way to recycle plastics here but not for a while). A certain number of bottles and yoghurt pots can be used in the garden for cloches, pots and feeding systems but for the rest, squash them with the lid half off, then tighten. Generally with all plastics, glass is a better alternative if possible e.g. ketchup bottles, mineral water etc. It does cost a bit more.

Plastic bags are not such a space issue but they can be used as rubbish sacks and, by magic, this makes you produce less rubbish in total than if you use black plastic bags. Try it and see! They're more a litter problem though, hundreds of them blowing round the village to remind us who owns the village shop. In Ireland you have to pay for them, which makes people a bit more careful. There's no talk of that here (unfortunately) but, for the sake of the village, we should be reusing the ones we've got or using the "Bags for Life". Only 10p!!

Paper:

Most people are using the green boxes. Purists are peeling off the labels of their tins and putting those in too.

Card/Cardboard:

If you're putting it in your black bin DON'T. Put it in your green bin instead, any card packaging included (though glossy is not good). The best compost is made of a mix of "greens" (plant waste) and "browns" (wood-based material). There's not much of the former at the moment but, roll on summer, that will soon change. Of the latter, cardboard etc., the council must have a mountain of it. This, though, is NOT OUR PROBLEM, but we could make theirs a little easier by giving them cardboard to compost rather than landfill. Green bin it, not black.

Food:

If you've got a compost bin, you know about this and if not you can get them for ten pounds from the council. It's a good way to get rid of some cardboard too. For bits of meat, a bird table will further encourage Bar Hill's bird population.

Other "Greens":

If you've too many "greens" (grass etc) there's always the Bar Hill Composting Club (Peter Stockton, me, 204874) but it's a lot of work and I'm tired of getting logs, brambles, earth and non-oragnic junk out of the stuff received. Really, honestly, truthfully, try to squeeze it in your green bin.

Tins & Glass:

There are, of course, the green boxe but also, Alcan (tel:01842 752386) wil collect aluminium cans at about 1p a ca if you have enough, "enough" here being about 25 bin bags full. This is beyond mos households but scouts, guides or youth groups might like to take this up as money (and awareness) raising activity Importantly, steel tins are no good s Coke, Fanta and Fosters are fine whil Pepsi, Tango and Carling are not. Use magnet. The trail of alco-emptie particularly at the weekend, suggests tha there is scope for a village-wide schem that would make the village (includin football pitches) safer and tidier, woul take a bit of pressure off landfill and coul raise some money. A few designated bin (and a few more bins in general) alon the path would help.

Nappies:

Getting washables isn't too much of hardship and saves loads of space. The don't seem to get through the night s well so we use some disposables, gettin the biodegradable ones that Tesco use to sell but stopped. Ask them. The might start again. (Waitrose, Arjuna an Daily Bread in Cambridge all sell them Particularly with summer on the way, it important with any nappy, to flush a much poop as poss. down the lo Technically a legal requirement too, think.

Clothes, books, records etc.

You can put clothes, even unwearab ones, in the green BOX (not bin). Goo ones are sent on to charities. There's als a charity clothes drop off point next t the paper, bottles and tins in the Tesc car park and another one for books an records etc. Oxfam in Cambridg (tel.:01223 329841) also accept/colle furniture but be careful of non-fi resistant sofas.

I'm sure people will have their ow suggestions and ideas. Could be a regul feature in BHN? If you knew all of th above anyway, sorry. I've wasted pap Please dispose of it properly...

JOTTINGS FROM YOUR COUNTY COUNCILLOR

It's a fair cop

The County Council and the police seem to be attracting a fair amount of criticism over measures to enforce speed limits.

Most of the problem lies with the British psyche. There is a widely held view that the interaction between the motorists and those who attempt to enforce speed limits should be a sort of sporting competition. It breeds the underlying implication that exceeding speed limits is some how OK and that it would be unsporting not to give offenders unmistakable warnings that they are about to be caught. Any thing less would smack of "shooting a sitting duck". Hence radar speed guns can only be used by police officers wearing uniform and speed cameras must be painted in bright colours and sited in clearly visible positions.

Why? Nobody seems to think it "unsporting " for undercover police officers to sneak up on drug dealers nor for our Trading Standards staff to use similar tactics against rouge traders.

Like it or not, the road speed limits are enshrined in the laws of the land, passed by our democratically elected representatives. If you decide, for any reason, to break those laws, you must expect sanctions to be applied. Speed limits are there for safety reasons. There are plenty of statistics to prove that excessive speed increases accidents.

I have been unable to find any reliable statistics to support the view that today's speed limits are written round the reflexes and driving skills of doddering older people like me, so that young people with ace reflexes and better cars can safely ignore them. However, as I cruise along the M11 or A14 nursing my many years worth of now claims bonus, I see lots of people who clearly subscribe to that view.

I am always available for consultation, either in person or by phone, letter or e-mail. I can be reached at the address or telephone number below.

I know the traffic on the A14 can be a real pain at times, and an alternative is being talked about; the 'Guided Bus Scheme' running between Huntingdon and Cambridge using the abandoned railway line.

Sounds good, but where it passes between Fen Drayton and Swavesey is an area known as 'Fen Drayton Nature Reserve and Gravel Pits'. This consists of nine lakes, some very large, criss-crossed by a network of footpaths and bridleways offering different walks and views of the lakes. It is also a 'County Wildlife Site'. The area is full of mature trees, is landscaped, and is a haven for wildfowl, herons, kingfishers, buzzards, nightingales and many rarer species such as avocets and bitterns. It is the second best place in Cambridgeshire for birds. It is used by walkers, dog walkers, horseriders, cyclists, fishermen and families; disabled people can also use it because of the metalled road that runs through it.

However, if the scheme goes ahead: the footpaths will be closed for at least a year for the work to be carried out; when finished, buses will travel every 5 minutes at 55 mph; the trackway for the buses will have a 7 inch kerb (so no wheelchairs); it will probably flood in winter because it does now (unless it is raised a lot higher); the effect on flora and fauna will be devastating.

This reserve is not only for us, we hold it in trust for our children and our children's children. It is for future generations to enjoy.

Say NO to the guided bus scheme.

Nick Richardson.

Little Acorns Pre-School

Little Acorns is a privately owned, non-profit making, pre-school.

We are situated in the meetings room (next door to the main church building). All of the staff are qualified Nursery Nurses.

We are open every day, morning and afternoon, during school term time. (9.15-11.45 am and 12.30- 3pm) There is a lunch club every day from 12 noon.

Monday, Wednesday and Friday afternoons are especially designed for children in the year before they start school and have a slightly different structure to our other sessions.

Children are welcome to attend from age two and a half.

Parents may choose to help at sessions during our "bring your Mum or Dad to Acorns" weeks, which are very popular.

We have recently received an excellent OFSTED report (the full version is available on request or can be accessed via the OFSTED web site). We were awarded "an aspect of outstanding practice in special needs" and overall the judgment, which we received, was very good.

We offer a "places for all policy", whereby we subsidise or give free places to families in need. Annually we ensure that at least three or four children are able to access good quality preschool education through this scheme. Please enquire about this.

For more information / a prospectus / a registration form / a copy of our OFSTED report or to arrange a visit, please telephone Sally on 201074.

Swavesey Village College

For some time, I have felt that it would be good to have a regular 'feature' in the Bar Hill News from Swavesey Village College.

Aside from the academic demands on students and staff, our students organise and participate in many other college and regional events. Some of the highlights this year have included:

Our annual Charities Morning took place on the last day of the Autumn Term. The Student Council selects 3 charities to raise money for and then organises a morning of events including games, fancy dress, an auction, many stalls and rock group performances. This year over £4,000 was raised by the students; this was a record amount. This money, together with 10% of the funds raised through our Sponsored Walk in September, meant that each of our charities received cheques for £1784.00. The Charities supported were War Child, Ataxia and the Cystic Fibrosis Unit at Papworth Hospital.

In District Sport Tournaments, our boys won the under 14 and under16 Hockey Tournaments and our girls won the under 16 Basketball Tournaments. In Sport, Neil Cartmell from the College is working closely with a number of local primary schools to help them develop PE and Sport. Over the coming term this will include a tournament between the schools at the Village College.

In Music, our Senior Girls' Choir and Boys' Barber Shop took part in a packed-out concert at the College alongside The Cambridge Chord Company who are European Champions. The Autumn Term ended with our annual Christmas Concert at a packed St Andrew's Church in Swavesey, with over 100 students participating in the various choral, string or brass performances.

Our Year 11 Debate Team came runners-up in the South Cambs Youth Debate Competition. Sophie Attwood, was awarded the Most Outstanding Speaker prize. The other members of the Swavesey team were Simona Karabyn and Melanie Stevenson.

In September 2003, the College became a Specialist Science College. This means that the College receives additional funding to develop and promote science and mathematics within the College. Alongside developments in the curriculum, the College is working closely with other schools and businesses to develop students' and teachers' awareness of the applications of these and other subjects within the world of work. One example of this was the Year 9 Industry Challenge Day supported by our sponsors from Nokia, Domino Printing Sciences and Aqua.

The College is proud of its many links with the community and always welcomes visitors to school events. You might wish to note the following event in your diary.

'My Fair Lady' – end of the Summer term

Over the past four years the College has experienced a period of planned and managed growth, reflecting a growing catchment area and its increasing popularity. This year, due to lower numbers in our partner primary schools, we are still able to welcome enquiries from the parents of students living outside our traditional catchment schools and villages.

If you would like more regular updates from the College, its news and achievements, please log on to our new website: -

Sunshine Pre-School

As members of the P.L.A. (Pre-School Learning Alliance) we work to the guidelines set out by OFSTED. Our aim is to assist the children's learning through fun activities and play.

We have a wide range of resources available to us including a well-equipped secure garden adjacent to the primary school.

We have a friendly and dedicated staff whose aims are to make the children's time at Sunshine fun as they learn.

Our play leaders are always happy to discuss ideas; comments and concerns parents may have regarding their child's development.

Things We Have Done

This month the children enjoyed a visit to Wimpole Hall. We also had our Open Afternoon, which was very successful. We have been travelling around the world and talking about the different countries. We have also had a visit to the Travel Agents and Tescos. The children have done lots of cooking and trying different foods.

Neighbourhood Watch

CHARITY COLLECTIONS & DOOR-TO-DOOR SALES

A company who claims to be undertaking charity collections is leafleting villages in the area. The company concerned is not licensed to do house-to-house collections in the district and is breaking the law.

Please remember in all cases, house-to-house collectors should hold a Certificate of Authority and Badge from The HMSO (the badge is small and green in colour) and a licence from South Cambridgeshire District Council, which will state the person(s) name, address and details of collection. If you are in any doubt of someone's authenticity, the best policy is to ask for proof that they are a bona fide collector, and any person will provide this if they have nothing to hide. You can also contact the Council's Licensing Office on 01223 443024 to check the register and confirm who is collecting in the area.

Another enduring problem in the area is door-to-door salespersons often selling ironing board covers dusters etc. They invariably tell you that they are on a programme for offenders trying to get back to work. This also is a scam; they are not allowed to sell without a Pedlars Licence or badge from the Police.

Often these people produce a home made ID with their photograph on it – this is **NOT** a badge of authority – if they cannot provide a pedlars licence or badge from the Police, it is **NOT** legal for them to sell. Please do not feel pressurised or bullied into buying 'just to get rid of then' – **YOU HAVE THE RIGHT TO SAY NO.**

Please take care

Village Co-ordinator, 205453

Friends Of Bar Hill Library

We were very pleased that several people asked to join the Friends of Bar Hill Library after the article in last month's Bar Hill News. If you have not already done so, and would like to join, please ask at the library for an application form, or phone 0845 045 5225. You will be helping to support your local library, and you will be able to claim certain privileges on your library membership, such as free requests or video loans.

We are starting to organise events to be held in the library over the new few months, so please look out for posters in the library, or keep reading the Bar Hill News!

Ladies International Group

We are a small group who welcome newcomers of all nationalities: British & overseas. Our specialities are informal outings, usually with children in tow, and hopefully, helping people feel at home. Special past events have included strawberry picking, a French meal and Chinese vegetarian meal. Just drop in to our shared meals, once a month.

Please ring and leave your phone number if you would like to come.

Happy Hours

The recycled youth club

Although we have over 70 members, we still have room for more. If there are any Senior Citizens who would like to pass a few hours away on a Monday in a very friendly atmosphere, then look no further than "Happy Hours", the club especially for the older folk of the village. We meet each Monday in the Octagon from 11.00am to 3.00pm. Refreshments are provided at a low cost with meals at lunch-time and cakes in the afternoon. There are various games to play or you may just sit and talk. We have speakers or entertainment throughout the year, with monthly outings, and 5 or 6 day holidays, twice each year.

Come along and give us a try - you will be more than welcome. Before you decide, or for more information, give Sid Hunt a ring on 201384. We look forward to your call.

Raffle. Our February raffle raised the sum of £52.00 which we donated to the Bar Hill Scouts. We have since received a very nice letter of thanks from the Scout Leader, informing us that it will be used to help their trip to London, or towards the cost of the summer camp. Our next raffle is being held on Monday 22nd March, when the proceeds with be donated to the Youth Club that meets at the Farm House.

Outings. Our March Outing was a Mystery Trip, which took in many of the small towns and villages between Cambridge and South Bedfordshire. On the morning we called at the "Poplars Garden Centre" near to Harlington for coffee and a look around, and then carried on to Pulloxhill where we stopped at the Cross Keys pub for lunch. With a wide choice of main course and then sweet and coffee, everyone was well satisfied. With a short break at Biggleswade in the afternoon, we returned home in a very happy frame of mind. Our next outing will be on Wednesday 14th. April, when we shall be visiting Bury St. Edmunds.

Talk. A talk by a member of Saga respecting Holiday Insurance, which should have been given in March, has now been re-arranged for Monday 5th April.

Holiday. Our first holiday this year is to Scarborough, starting on Sunday 2nd May. This holiday is now fully booked.

Sickness. I am pleased to report that both Lily Neal and George Woods are now both at home following lengthy spells in hospital. They both send their greetings to Club members, and thank every one for their cards and calls.

Bank Holidays. There will be no club on Easter Monday, 12th April, or on May Day, Monday 3rd May.

HABEAS CORPUS

A Revival Of The Hilarious Comedy

By Alan Bennett

Swavesey Village College
Thursday – Saturday
22nd – 24th April 2004
at 7.45 pm

Tickets:- Adults: £6.00
Concession/Child: £4.00

Box Office 01954 201372

If you only see one play this year, make sure it's the revival of Alan Bennett's hilarious comedy 'Habeas Corpus'.

Set in 'Brighton's plush, silk stocking district of Hove', the drama weaves a tangled web of misplaced and misunderstood lust; itself sometimes misinterpreted as love; as the characters bear witness to the benefits of the permissive society. Will Connie fulfil her dream of a bigger bust? Will Felicity redeem herself of sin? Will Canon Throbbing ever be released of his pent-up passion?

Whether you are a 'Habeas Corpus' virgin, or are ready to re-kindle an old flame, you can be sure of a night of satisfaction.

'Habeas Corpus' is being performed by RADSOC at Swavesey Village College from 22nd to the 24th April. Tickets cost £6.00 for adults and £4.00 for concessions. Contact Ava on 01954 201372 to book. Tickets will also be available on the door.

Cricket Club

Preparations for the new season are now well under way. Once again, we will be playing in the Cambridgeshire Cricket League Division 2NB and our opponents will be Cambridge Granta IV, Coton, Cottenham II, Fen Ditton, Fenstanton, Over II, Sutton and Waterbeach.

We open the league season on May 1 with a home game with Granta, although we will be warming up for competition with two pre-season friendlies the previous week, at home to Little Shelford on Saturday April 24 and away to Hardwick the following day.

We have been drawn against Granta IV in the Junior Cup and the game will be at Bar Hill on Sunday May 30.

A number of friendly games have also been arranged, with the highlights likely to be clashes with Bar Hill Sports and Social Club on Sunday May 23, the church on Sunday June 27 (the day after the Village Fete) and the Wrinklies on Sunday August 8.

For a full run-down on our fixtures, check out our website at www.barhillcricket.org.uk.

We will also be running teams in the Cambridgeshire Youth Cricket Association leagues, although it is not known how many. Therefore it is vital that any juniors keen to play cricket this summer should turn up to our first club practice session on the village green at 6pm on Tuesday April 13. We will be having training sessions every Tuesday at this time, for both seniors and juniors.

We also have to remind members to return their membership forms and, in the case of juniors, their membership fee. This helps us maintain accurate contact details for all players and in turn means members are covered by our insurance.

We are aiming to hold a fundraising quiz at the Social Club some time in May – see advertising fliers nearer the time for details and we also hope to run a stall at the village fete in June. Anyone able to give some time to man this stall, or who has any fundraising ideas, please call the secretary Paul Stimpson on 782475. This is also the number for any other queries about the club.

Finally, we must thank Andy's Kars for helping us out with servicing of equipment. If anyone would like to sponsor the club in any way, again, please contact the secretary.

We look forward to seeing as many spectators as possible at the village green when the season gets going.

Paul Stimpson

Bar Hill F.C.

Bar Hill football club have achieved outstanding performances this season.

By the time you read this the 1st team will have played in the Sunday Challenge Cup final at Cambridge City football ground on the 28th March. We reached the final by beating last years finalists "Gamlingay" 5-4 on penalties, after a hard fought match in blustery conditions.

On Sunday 4th April we will play FC Sterling in another cup final at Cambridge Stadium 10.30am kick off.

As for the league positions, the 1st team have won all of their 11 games, with only 3 games remaining we areconfident that we will be back in the premier Sunday league next season (where we belong!). The Reserves are still holding their own in Div 4A, with several games remaining they should be thereabouts by the end of the season and hopefully be promoted to Div 3A.

In the next issue of the Bar Hill News I will update you on a wonderful season for Bar Hill Football Club and hopefully the trophy cabinet will be brimming!

Many thanks to those who attended our successful race night on Saturday 28th February at the Social Club, a fun evening was had by all.

Planned events:

Dog racing 24th April Peterborough

The Royal British Legion

Bar Hill Branch

The February meeting was held in the village hall on 26/02/04 with 19 members present. The Chairman opened the meeting with the Exhortation.

The Secretary read out the minutes of the previous meeting, also the various circulars and notices that she had received from HQ and County offices. The Chairman asked if there were any matters arising: as there were none he then called on the Treasurer for his report.

The Treasurer, Neville Clark, who had resigned last month through ill health, gave his final report before handing over to the new treasurer at this meeting. The Branch is in a very healthy position at this moment; stronger than for some years, which is most pleasing to know as there are so many branches closing.

With the Branch now without a Treasurer the Chairman asked for nominations from the members to fill the post.

It was proposed by Charlie Churchman and seconded by Heather Turrel that Mike Duce should take over as Treasurer this was voted unanimously, this then made the Chairman's position vacant as Vice-Chairman Tony Shubotham was formally asked to fill the vacant post which he accepted.

The post of Vice-Chairman came up for election and Mary Shubotham was duly elected, becoming the first lady to hold that title for Bar Hill Branch. Congratulations to all and good wishes to them all in their new posts.

As Poppy Appeal Organiser I had a most pleasant duty to perform at this meeting. After some research over the past 10 years of branch Poppy Appeals records, it was discovered that quite a few members had qualified for 'marks of appreciation'. These were for a minimum of 5 years, then 10 years and so on. There were 4 with 5 year certificates, 10 with 10 year certificates, but, not only that there were also 4 members of Happy Hours who were recipients 3 with 5 years and 1 with 10 years. Congratulations to all.

The September 5-day holiday with Tony Hall of Eclipse Coaches is filling up with a few seats still available. Should anybody want any please contact the writer for details as it is open for non-members as well.

The date and time of next meeting will be at the Village Hall 22nd April 19:30 hrs.

Can you help with the production of the Bar Hill News?

We are often in need of new volunteers to join or team of about 50 helpers. There are always people who need to stop helping for many different reasons, such as ill health, family commitments and moving away. We currently have room for collators. Collating involves assembling 100 copies and stapling them with the electric stapler that we provide. We produce 11 copies each year, and we often ask you to help with the Fete Programme as well. If you are willing to help, please contact either Raja Iyer (200291) or Keith Morris (782441).

Bar Hill Church Knit and Natter

We are a friendly and welcoming group of ladies who meet on Thursday afternoons at 1.30 - 3.30pm in the Octagon. We do what our name suggests, we knit and natter over tea, coffee and cakes. You are welcome to come along even if you don't knit! We also arrange regular outings to various places, have lunches, and hold regular coffee mornings every month. We are also looking for donations of double knitting wool so that we can continue making blankets which we give to various organisations that need them and bric-a-brac for our stalls. If you would like more information about us then please either call in on Thursdays or contact Sue Kenchington 780260.

We continue to run our Coffee Mornings around the 3rd Saturday of each month. The next Coffee Morning will be on the 20th March from 10.00am onwards. You will be most welcome to join us for drinks and cakes and bargains from our table top sale. Hope to see you there.

Sue Kenchington.
